Craft Stands

The Annual Show of the Gore A & P Association is being held on Saturday 2nd February 2019.

Applications are now being accepted for Craft Stands.

- ❖ It is suggested if you have larger displays such as ornaments, wooden furniture, etc you should purchase outside trade space which would necessitate a marquee or gazebo for shelter from the sun/wind/rain!
- ❖ One stand is equivalent to a standard trestle. (Trestles are supplied).
- ❖ The cost of \$45.00 per trestle includes one gate pass. Extra gate passes can be purchased at a discounted rate of \$8.00 at the time of your application.
- ❖ The cost of \$60.00 for two trestles includes two gate pass. Extra gate passes can be purchased at a discounted rate of \$8.00 at the time of your application.
- ❖

We look forward to hearing from you in the near future.

Yours faithfully
